

Covid-19 Guidance

Following the lifting of most government restrictions in England on the 19/07/21 we will continue to require that all adult guests staying at the campsite:

- Wear a facemask when entering the site shop and reception area unless you are exempt; in which case you should have proof of this when asked.
- Follow the covid-19 guidance signs located outside all communal facilities in respect to the maximum number of permitted people to use each facility at any one time, hand washing and wearing of facemasks.

Please note that Kingsdown Camping is a family operated business. It is highly likely that we would have to close the campsite if a member of our team was to be infected by Covid 19.

These are not mandatory rules but we do expect all guests take a sensible and responsible approach to help keep everyone safe and reduce the spread of the virus. Notwithstanding this we do reserve the right to refuse to serve any adult that does not wear a facemask in the site shop and reception area.

Revised 19/07/21
